Conditional Statements

➤ Simple if condition:

```
{% if condition %}  
  block for logic  
{% endif %}
```

➤ If-else condition:

```
{% if condition %}  
  block for logic-1  
{% else %}  
  block for logic-2  
{% endif %}
```

If-elif-else condition:

```
{% if condition1 %}  
  block for logic  
{% elif condition2 %}  
  block for logic  
{% else %}  
  block for logic  
{% endif %}
```

Note: Inline if – else statement

```
{{ "block for logic-1" if condition else "block for logic-2" }}
```

For loop of Jinja

- **For Loop with list:**
 - `{% for each in mylist %}`
 Block for logic
 - `{% endfor %}`
- **For loop with dictionary items:**
 - `{% for key, value in mydict.items() %}`
 Block for logic
 - `{% endfor %}`
